

"CURFEW TO RING TONIGHT!" HART

Old Custom to Be Resurrected at 9 O'clock This Evening.

TO ENFORCE ORDINANCE

Children Under Age of 15 Warned to Remain Off the Streets After Dark.

For a number of years past little children have been permitted to run the streets after nightfall, with no interference upon the part of the authorities, confident that "curfew would not ring tonight." Conditions are to undergo a change, according to Commissioner Archie Hart, who has decided to put a stop to the practice, and to resurrect the ringing of the curfew at 9 o'clock each evening. The bell in the tower of the Central fire station will be heard tonight for the first time. Beginning Monday evening, the police will strictly enforce the ordinance, and all children under the age of 15 will be dealt with severely.

THE ORDINANCE.

The ordinance involved is as follows: "It is hereby made unlawful for any person under 15 years of age to be or remain in or upon any of the streets, alleys or public places in the city of Rock Island, Ill., at night after the hour of 9 o'clock p. m. from March 1st to September 30th, inclusive, of each year; and from October 1st to the last day of February, inclusive, of each year, after the hour of 8 o'clock p. m., unless such person is accompanied by a parent or guardian, or other person having the legal custody of such minor person, or is in the performance of an errand of duty directed by such parent or guardian or other person having the care and custody of such minor person, or whose employment makes it necessary to be upon said streets, alleys or public places during the night time after said specified hours; provided this exception shall not apply when the person under such age shall be playing or unnecessarily loitering in or upon any such streets, al-

leys or public places. Any person violating the provisions of this section shall, on conviction, be fined in any sum not to exceed \$10 for each offense and stand committed until such fine and costs are paid."

HART EXPLAINS.

"I have been considering this move for some time past," said Commissioner Hart this morning. "Little children have run the streets, often as late as 10 and 11 o'clock, and if the parents do not see fit to put a stop to the practice, the police will. Nightly their lives are endangered as they run around the streets, directly in the path of automobiles and street cars. Little girls run abroad and associate with evil companions, oftentimes with grown men. I am asking that the ordinance be strictly enforced in the future for the welfare of all concerned."

CHIVALRY BOOSTS SUFS

Men Sympathizers Told How to Convert Unbelieving Women.

Washington, Aug. 8.—Suffragists of Washington are employing chivalry to win women to their cause. Besides the chivalry they are employing the men. When a man in with the suffrage cause sees a woman standing in a street car, he is to say, according to instruction: "Here's my seat, madame. Be a suffragist." Then if she be a gentlewoman, the suffragists think, she will reply: "Thank you, I will." Suffrage ranks are expected to fill speedily by this system.

YOUNG BOYS ARE TAUGHT TO STEAL

Youngsters Arrested for Systematic Thefts Tell Sensational Story.

FEMALE "FAGIN" IN CASE

Police Begin Search for Mysterious Woman Who Received Swag.

Five boys, ranging in age from six to nine years, were arrested this morning for a series of petty thefts covering a period of almost two months. They told a sensational story to the police, involving a mysterious woman who is alleged to have received the proceeds of their illicit operations. The authorities are investigating the matter, and if the story told is true, the woman in the case will face a serious charge. An effort is now being made to locate her.

STEAL BREAD.

I. Smith, who conducts a bakery at 2106 Third avenue, brought about the boys' arrest. According to his story, his wagons have been raided for over a month and a half. He kept watch, but up until yesterday had been unable to catch the culprits. Yesterday afternoon shortly after 6 o'clock, he heard a noise in the alley at the rear of the bake shop, and upon investigation, discovered a small boy running away from the wagon, carrying a loaf of bread. His capture was effected without much difficulty, and the offender disclosed to the police the names of his accomplices, who were also arrested.

INVOLVE WOMAN.

The boys told the police that a woman, whose name is withheld, told them to steal the bread and give it to her. She told them to keep quiet about it and not say a word to anyone, according to their story. All of them were arraigned in police court this morning, and after being lectured by the judge, were dismissed.

Smith claims that the first time, eight loaves of bread were taken, and that since the wagon has been raided regularly on various evenings. He was unable to estimate his total losses.

The police are not inclined to credit the baker's story, but have promised an investigation. Smith asked that the boys be sent to the penitentiary.

POLICE NEWS

After imbibing to excess, Louis S. Clark entered the Silverman grocery, Sixth avenue and Seventeenth street, yesterday afternoon and after offering to "set 'em up" to every lady who came into the place, began to investigate the watermelon market. He ordered several melons plugged, and then refused to pay for them. The clerk, Charles McDonald, ordered Clark out, but that individual refused. Both men came together and began to pummel each other. They clinched and fell to the floor, rolling over and over, out of the door and out on the sidewalk, where a policeman awaited them. In police court this morning the clerk was dismissed, while Clark was fined \$5 and costs on a disorderly conduct charge.

William J. Smith, 416 Eighteenth street, came home yesterday and began rough house, according to the police, throwing out of the window several perfectly good steaks, and various other provisions. Mrs. Margaret Smith called the police and this morning hubby was given a 20-day sentence.

Frank Smith was fined \$2 and costs on a disorderly conduct charge.

Tom Moore engaged in an altercation with a Bridge line conductor last night and was arrested, the complainant being V. B. France. The case was continued for 10 days, a bond of \$100 being fixed.

A free-for-all battle was staged yesterday afternoon about 5 o'clock on Seventeenth street, between Third and Fourth avenues. The principals were all charged with assault and battery, their fines being as follows: Camiel Lannreleer, \$10 and costs, Leona Deouchy, \$5 and costs, Simon Lane, \$5 and costs.

INQUEST WILL BE CONVENED AGAIN

Session to Be Held Saturday in Attempt to Secure Additional Evidence.

ON ALBERT NELSON'S DEATH

Rumor That New Testimony Relative to Cause of Tragedy May Be Given.

The inquest to ascertain the facts surrounding the death of Albert Nelson will be reopened tomorrow morning at 9 o'clock by Coroner R. C. J. Meyer, Moline, at the Knox undertaking parlors. Some additional evidence is said to have been secured which may prove interesting if the facts can be learned, it is claimed.

Nelson was stabbed in a fight with William Deeters. It was stated at the time that the difficulty arose over the discussion of the amount of wages each was earning, but since then there have been continued rumors to the effect that there is a "woman in the case" and perhaps some phase of this circumstance may be touched upon tomorrow.

A number of witnesses to the fight have skipped out and a strong effort has been made to locate them. One

of them lives in Davenport and was a personal friend of Deeters, who is now in the county jail on a warrant charging murder.

TO FIGHT CASE.

It is known that Deeters is to make a fight for his liberty. He has retained John K. Scott as his counsel and will attempt to show if he is held by the coroner's jury on a charge of

murder that he acted in self defense and that Nelson was the aggressor throughout the trouble, striking the first blow and pounding Deeters in terrible fashion. He claims he used his pocketknife to protect his own life.

NATHAN DRUCKER IS NOW MISSING

Muscatine Cobbler, Who Was Swindled in Davenport, May Have Killed Himself.

Muscatine, Iowa, Aug. 8.—Where is Nathan Drucker, the Muscatine cobbler who was swindled out of his life's savings by a couple of smooth diamond grafters at Davenport, Tuesday? His relatives do not know for certain and have not heard from him since he went to Davenport on the 9 o'clock car Wednesday morning. That he followed the thieves to Chicago in a vain effort to recover his money was stated but confirmation of this trip has not been received.

Coupled with his threats of suicide when he discovered that he had been swindled relatives fear that he may end his life by leaping into the river at Davenport or if he went to Chicago by drowning in the lake. That he was despondent and ready to take his life was evinced by his conversation here. He is simply crushed by his loss.

That the job was coarse beyond or

inary belief is shown by the many facts that did not fit in properly with the story told. Yet it was smooth enough to get the money and to make a conviction exceedingly hard. It is believed that Drucker gave the men his money without receipts or anything to show that such a transaction had been made.

Drucker was hard hit. His wife had recently returned from the hospital and both of his little children were under the doctor's care. The prospect of making \$25 easily appealed to him and as a result he dropped all of his savings.

Efforts are now being made to trace Drucker whom it is believed is nearly crazy with grief and despair.
